- vii) Externship in multiple institutes will not be permitted.
- viii) Externship in India once done in a particular institution/hospital recognized by MCI is not repeated in parent institution. Only the records of satisfactory completion of training, duly certified by Medical Office alongwith assessment report/evaluation report, meeting the objectives of training are submitted.

Externship outside India:

- i) Externship outside India: "Clerkship/Elective" will be allowed for a period of maximum one month. The period of elective posting combined with 12 days of Casual Leave will give the student a period of approximately one month.
- ii) "Clerkship/Elective" must include good hands-on experience, student should be allowed to do physical exams, touch the patients besides taking histories, case presentations and lab-result followups. No Observership will be allowed while availing the externship under any circumstances.
- iii) The permission for the "Clerkship/Elective" will have to be taken from the University. This would, however, be without any commitments on the part of the University, financial or otherwise.
- iv) The student will fill up a proforma provided by the Faculty of Medical Sciences which will have to be signed by the Dean of the University where the student wishes to do his/her Clerkship. After completion of the Clerkship the students will have to submit a certificate of satisfactory completion from the institute where Clerkship was done.

10. Guidelines for outside candidates wishing to do Internship in medical Institutions under University of Delhi

The prime responsibility and commitment of the institution is to train its own Under-graduates during their rotatory internship period. However, it has been seen that students from outside apply for rotatory internship training to the medical institutions under University of Delhi.

- (i) Ordinarily the capacity and infrastructure of the institutions is to train only the number of students that they have enrolled. The students may apply if there is a clear cut vacancy in the institution provided the following certificates / documents are produced:
 - (a) Application of the students giving reasons to do internship and documentary proof thereof.
 - (b) No Objection Certificate from his/her parent institution clearly stating that institution is recognized by MCI and that during the course of his/her training from admission to his/her passing out, the college was not derecognized by MCI at any time.
 - (c) Permission of the University to which the above college is affiliated.
 - (ii) Certificate from MCI that Medical College/Institution where the student is at present studying has been recognized by the MCI from the year the student was admitted in that institution to the year of his/her passing out.
 - (iii) Certificate of provisional registration by MCI.
 - (iv) Certificate of good character and conduct of the student from the parent college/institution.
 - (v) Permission of Delhi University.
 - (vi) Permission of concerned State Government.
 - (vii) An undertaking that the student is prepared to do internship without any pay, stipend or honorarium:
 - a. That he/she would follow the Internship Programme of the University of Delhi.
 - b. That he/she would maintain good conduct, discipline and decorum of the institution and the authorities of the University have the right to expel him/her on misconduct, indiscipline and unsatisfactory work.

How to select: If there is more than one applicant wishing to do internship at the institutions, they will be selected strictly on the basis of merit. While making the list, consideration will be given to all the three/four University Examinations and from the total marks 5% marks deducted for each additional attempt. Candidates who did not avail the chance of University Examination when it was due should not be considered a failure in that subject/s and it should be counted as first attempt and marks should not be deducted. Also, 5% extra marks will be allotted for distinction or medal in any subject.

When to apply: All applications of internship alongwith relevant documents should be received between 1st January to 15th April however, permission to do internship should be considered subject to availability of vacancy in the respective colleges.
