

M.Sc. (A) (T & P)

Part-I (Sem-II)

Part-II (Sem-IV)

July- 2026

University of Delhi
Faculty of Medical Sciences

DATE-SHEET: M.Sc. (MEDICAL IMAGING TECHNOLOGY (THEORY))

Part-I: Semester-II – 2026

Part-II: Semester-IV - 2026

Place of Examination: University College of Medical Science, Delhi 110095

Time of commencement: 10:00 AM

Day & Date	Part	Paper	Subject
20.07.2026 (Monday)	Part-I (Sem. II)	I	Care and preparation of the Patients in Radiology Department
	Part-II (Sem. IV)	I	Advanced Physics and Instrumentation in Modern Imaging Modalities Excluding Radionuclide Imaging
21.07.2026 (Tuesday)	Part-I (Sem. II)	II	X ray Equipment (Conventional Radiology)
	Part-II (Sem. IV)	II	Advanced Physics and instrumentation in Digital imaging DSA and PACS also
22.07.2026 (Wednesday)	Part-I (Sem. II)	III	Equipment for Modern Imaging Modalities (Including Mammography)
	Part-II (Sem. IV)	III	Nuclear Physics and Radio-Nuclide Imaging
23.07.2026 (Thursday)	Part-I (Sem. II)	IV	Dark Room & Processing Techniques
	Part-II (Sem. IV)	IV	Measurement of Radiation: Monitoring Devices and Quality Assurance Testing of Equipment
24.07.2026 (Friday)	Part-I (Sem. II)	V	Image Receptor; Recording Systems; Acquisition, Display and Storage of Image
27.07.2026 (Monday)	Part-II (Sem. IV)	V	Recent Advances and Future Trends in Conventional Radiology, Ultrasound, CT and MR
28.07.2026 (Tuesday)	Part-II (Sem. IV)	VI	Recent Advances and Future Trends in Cardiac and Vascular Imaging Techniques: Vascular and Non-Vascular Intervention

(Arvind Giri)
